Maintenance of church grounds

We need some help with the maintenance of the grounds at Corpus Christi *and* at Our Lady's. Thank you to those who are already assisting in this matter at each church, but a little more help would be appreciated. At neither church is there an enormous amount of land to be maintained; offers of assistance would be appreciated.

Prayers for the Sick

As Catholics, we should pray for the sick, the vulnerable, the defenceless. However, following the new data protection rules, it is deemed necessary that the express permission of the individual who is sick or incapacitated be obtained before their names can be published in parish newsletters, etc. Therefore, please do not ask for a sick relative’s or friend’s name to be published in this newsletter, unless that individual has consciously given his or her consent. (This ruling applies to the living).

If you are going into hospital or know someone who has gone into hospital....

The hospital chaplaincy are not automatically informed of the presence of Catholic patients admitted to hospital. Therefore, if you know someone who has gone into hospital, or you are expecting to be admitted, please contact the chaplaincy on the number above or (preferably) inform the chaplaincy by e-mail (address above). Chaplains are often no longer automatically given the names of Catholic patients. Many health care providers (e.g. Hospitals, Nursing Homes, Mental Health Units) apportion

resources for chaplaincy in line with how many requests are made so you are actually doing the Church a favour by requesting the chaplaincy and sacraments whilst in hospital.

Please note also that the chaplaincy may not inform Parish Priests about parishioners whom they meet in hospital, or about the well-being of parishioners without the specific permission of the individual in hospital.
